Holmleigh Primary School Wellbeing Survey for Parents/Carers

My name is Sorcha O' Dea. I am a Child & Educational Psychologist from First Steps, in Hackney CAMHS (Child and Adolescent Mental Health Services). I am working in Holmleigh as part of the WAHMS project. WAMHS is a project in Hackney to improve relationships between schools and CAMHS to further support childrens' wellbeing.

← (This is me!) I look forward to meeting as many of you as possible!

We would like to get parent/carer views to inform our work this year.

We are interested in learning more about your thoughts, feelings, and attitudes towards your child's school and how they support your child's wellbeing.

Your answers will be anonymous. Please be as honest as possible - there are no right or wrong answers. Thank you for your time!
