

# Safer Internet Day 2023

UK Safer  
Internet  
Centre

Safer Internet Day 2023 will take place on the Tuesday 7<sup>th</sup> February 2023, our learning will be based around the theme '**Want to talk about it? Making space for conversations about life online**'.

This year we are hoping to answer the following questions:

- What issues really matter to children and young people?
- What changes do they want to see?
- How can we all work together to advocate for them moving forward?
- 

With your help, Safer Internet Day 2023 can be a springboard for conversations that shape how we talk about and respond to online issues, not just for one day, but throughout the whole year.
