Parent/Guardian/Carer Consent

Half term attendance Consent

I hereby consent for my child/the child in my care to attend Young Hackney youth hubs and Young Hackney holiday term activities both within and outside of the youth hubs on the above dates. I recognise that the accompanying staff will be responsible for their supervision and care as far as can be reasonably expected.

I understand that unlike term time youth provisions (i.e. evening youth clubs), any off-site trips are not “open access” and my child/the child in my care may not join and leave the activity as they please.

I understand that if my child/the child in my care behaves in a purposefully disruptive or otherwise inappropriate manner whilst on and off-site, they will be withdrawn from the activity. I am aware that under these circumstances it will be my responsibility to collect them and/or arrange for their transportation home. I am aware that I will be deemed responsible for any additional expenses incurred by the hub as a result of this occurring and that LBH will bear none of the costs.

I further consent that the staff may give permission for any urgent medical or surgical treatment including the administration of local or general anaesthetic for my child which is considered necessary by a qualified medical practitioner during the course of the holiday program.

Photography Consent

Occasionally we take photos and make videos for use in Young Hackney's social media profiles during special events, performances and during general sessions. This helps us promote the services we offer to other young people, families, internal and external organisations. We will always ask for your consent to be included and give you the opportunity to decline being in the photos. No further forms are required to be completed if photography consent is given.
