

Our Values

Respect, Kindness, Resilience,
Integrity, Honesty and Trust

Our Pledge

- Listen and Learn
- Do our best
- Look after each other
- Look after our school

Year 1 Newsletter Autumn 2 2023

It has been a very busy term here in Class 1! In **Literacy** we have just finished our topic on Instructions where we wrote our own instructions for 'How to make a disgusting sandwich' based on the book, 'The Disgusting Sandwich' by Gareth Edwards. We added things like slimy worms, crunchy spiders and rotten eggs to our sandwiches! We have now started our new topic on Poetry and will be having a go at writing our own list poems soon!

In **Maths** we have been working hard on Addition and Subtraction. We have been practising lots of different ways to add and subtract numbers such as using counters, number lines, bead strings as well as doing them in our heads. We even had a go at solving word problems! Our next topic will be learning all about 3D shapes.

In **Science** this term, we have continued to learn about 'Animals including humans'. We have been learning about the parts of the human body and our five senses. We really enjoyed our lesson about our sense of taste where we got to taste some sweet, salty, sour and bitter foods. Some of the foods we tasted were: honey, salt and vinegar crisps and lemon. Our favourite was definitely honey.

This term our **Geography** topic was 'Our local area'. We enjoyed taking a walk around Stamford Hill and looking out for the familiar places we know, such as Morrisons, Stamford Hill Library and the Post Office. We also had a go at using a map of our classroom to plot objects that Ms Esma had placed around the room.

A big well done to the children who have been regularly using **Bug Club** at home to practise their reading and Phonics! Please remember to log in and practise as often as you can. Practise makes progre
