

Attendance: the top facts to know & share

**MOMENTS
MATTER,
ATTENDANCE
COUNTS.**

The link between attendance and attainment is clear:

- In 2018/19, just 40% of persistently absent (PA) children in KS2 achieved expected KS2 standards, compared with 84% of pupils who were regular attenders.
- And 36% of PA children in KS4 got 9 to 4 in their English and maths GCSEs, also compared with 84% of regular attenders.¹

And it's never too late to benefit from good attendance:

- More than half (54%) of pupils who were PA in Year 10 and then rarely absent in Year 11, passed at least 5 GCSEs, compared to 36% of pupils who were persistently absent in both years.²

But attendance is important for more than just attainment:

- Regular school attendance can facilitate positive peer relationships, which is a protective factor for mental health and wellbeing.
