Respect, Kindness, Resilience,
Integrity, Honesty and Trust

Our Pledge

- Listen and Learn
- Do our best
- Look after each other
- Look after our school

Year 6

Newsletter

Summer 2 2024

This half term has been jam-packed with lots of fun and success. It started with an amazing residential at Kench hill with lots of activities and opportunities to be at one with nature. Team 6 did us proud and wowed the staff there with their behaviour and bed- making skills.

We were very fortunate to have another opportunity to use the science lab at Our Lady's High School learning about the effects of burning fossil fuels as part of our module on protecting the environment. We also got to visit attended a celebration event in the chambers of Hackney Town Hall as part of our Heartstone Odyssey project where the children were rewarded for their efforts on work around racial hatred.

The year culminated with an incredible performance of their end of year play, An Inspector Calls. We were so proud of how well they prepared and they absolutely nailed it in their final performances. We followed this up with a great party, a trip to the park and tenpin bowling as rewards for all their efforts this year.

We are so proud of the scores they achieved in their SATs, which were above the national averages. This should prepare them for the challenges and tests that lay ahead at secondary school. We will miss the children immensely but know they'll be back to visit and inform us of their continued success. We wish them all the best for their undoubtedly bright futures.

Mr Richard and Ms Amena
