ANNUAL GENERAL MEETING

Friends of Holmleigh Annual General Meeting will be on Thursday 7th November 2024. The evening will start at 6.30pm with the Friends of Holmleigh (FoH) AGM, followed by planning of the Winter Fair. We hope to see you there!

JOIN FRIENDS OF HOLMLEIGH!

Friends of Holmleigh are a group of parents who meet up once every half term with Ms Boateng and other senior leadership team members at Holmleigh. Our aim is to strengthen the school community, support communications and raise funds.

With recent talks of the proposed merger it is clear that the wonderful community feel of Holmleigh school is valued by all. It's more important than ever to feel connected and unite as Friends of Holmleigh.

We do not know for certain whether the merger will go ahead but Friends of Holmleigh hope that together we can make a difference in how it happens (if it happens), and the effects on the school and it's pupils.

We welcome new faces and would love to get to know you all. Renewed support is appreciated as people have headed on to secondary school.

We are still looking for Nursery and Reception class representatives.
