Respect, Kindness, Resilience,  
Integrity, Honesty and Trust

- Our Pledge**
- Listen and Learn
  - Do your best
  - Look after each other
  - Look after our school

## Year 4 Newsletter Autumn 1 2024

Year 4 have enjoyed a great start to the year, showing themselves to be a lovely, hard working class.

In **Maths** the children have been learning more about place value and rounding, as well as making sure they practise and learn their times tables!

In **Literacy** we studied a fantastic book called 'The Miraculous Journey of Edward Tulane', and the class went on to write their own adventure stories.

In **Science** we studied electricity and the children enjoyed making circuits!

For Black History Month we learned about some women who have risen to great achievements in Science, and the children made beautiful and informative posters for our school assembly, which they presented extremely well.

In our **History** lessons we learned about Crimes and Punishments, including Victorian Schools.

In **Religious Education** our topic was Hinduism, and we are looking forward to the Diwali celebrations next weekend. (Watch out for Firework Displays!)

In **PSHE** we studied a unit called 'Be Yourself', which included recognising and celebrating your own achievements, and expressing yourself.

We are looking forward to the rest of what we know will be a great Year 4!
