Dear Parents/Carers,

At Holmleigh Primary School, we are thrilled to celebrate World Science Day and offer our pupils an exciting opportunity to spark their curiosity. On November 11th, we have arranged a special Science Workshop with ZooLab, an interactive learning experience where pupils will have the chance to engage closely with a variety of exotic creatures.

To make this experience possible, we kindly request a contribution to help cover the workshop cost. We know that our students are passionate about science, and with your support, we can provide them with a memorable learning experience that will stay with them for years to come.

We apologise for the short notice but didn't want to miss out on this wonderful opportunity. Contributions can be handed in at the school office or given to your child's class teacher.

Thank you in advance for your generosity and support.

Yours sincerely,  
Mrs. Cheryl Barrett-Simmons  
Science Coordinator
