

School Councillors

School councilor elections took place at Holmleigh this week. Children nominated themselves or others and completed a form explaining why they should be chosen to be the class councilor.

Each class voted for their chosen councilors.

Yusuf- Year 3

I want to help my friends. I want to listen to other people ideas. I want to be respectful. Following the Holmleigh Way. I am patient.

Yara- Year 3

I want to be a school councilor because I love Holmleigh and I love my school friends and all of the people. If anyone wants some ideas they can share this with Miss Angie and we can see if we can do it.

Betty- Year 5

I like to help people and give them time if they want. This school is my childhood so I can help them into learning and make this school a better place. I don't want any fights or swearing. I just want things fair in this school. I love helping the little ones and I can't wait to see them grow up with a lot of good attitude and life.

Khamoy- Year 5

I would like to be school councilor because I love Holmleigh and it means a lot to me. There's still room for improvement like nets for the goals and fixing the toilets. If you want me to help improve anything just ask me. And I will suggest it.

Chukhouana- Year 6

I would like to be school councilor because I was never school councilor before and I can help the school in many ways and make this a better place for young people.

Muna – Year 6

I want to be a school councilor because I love the school and I want to make the school an even better place and make some adjustments to it and improve the school.

Zeinah- Year 2

I like answering questions and if people vote for me I will be so happy. I could help to make the school dining hall better, I could use my biggest voice to talk about it.

Kal- Year 2

I want to be in the school council because it was my dream since I was born. I have got a phrase: Every student is a star.

Let me share my song:

Follow the rules,

They are not so cruel,

All the teachers are nice,

I said that twice!

I love the teachers and the students. I will breakdance if I am school councilor.

Romeo- Year 1

I would like to be a councilor because I would like to help my class and my school to be better at being a nice place.

Connie- Year 1

I'd like to help the dining hall have better food, more that we all like. I'd like to help get some more toys for the playground and also colouring sets and Frisbees.

I'd like to make the classrooms tidier by eating less messily at snack time.

I'd like to ask people to help by doing special jobs like making sure people eat properly and also water the plants.

Hannah- Year 4

I would like to be a school councillor and ask your opinions and I could tell Miss Angie. I could ask what books you like and donate some books like; David Walliams and Dog Man. I also want our school to be the best in Hackney.

I want everyone to be kind to each other and follow the Holmleigh Rules so Holmleigh could be a nice friendly place for everyone.

Talal- Year 4

I want to be school councillor because it is really nice to engage people to achieve their goals. I want to help teachers and students to help the school to be a better place. I want to help in assemblies and give ideas to Key Stage 2.
