Nursery newsletter Spring 1 2025

Who is in the Egg?

This book helped the nursery to explore animals that lay eggs. They named and sorted farm animals and learnt about some of the foods we get from animals. This simple but repetitive book encouraged children to retell the story and create a new version of the story with new characters. The nursery explored the different settings in the story such as swamp, ice and sand.

'My dadu give me egg at home'

Key vocabulary learnt:

Egg yolk albumen crack shell roll

We used our senses to explore citrus fruits. We made our own orange juice, lemon muffins and banana fritters. We tasted noodles, fried and scrambled egg.

Animals that lay eggs

'Chickens'-Elizer
'Crocodiles'- Elizer
'Platypus'- elysee
'Turtles'-Ayan
'Ostrich'-Ayan
'Penguin'- Zeyd
'Snake'- Maryam

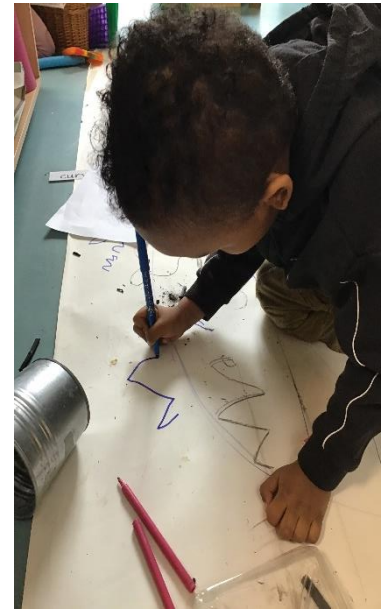

Can you research any other animals that lay eggs?

All things art...

We created our own transient art pieces and explored mixing primary colours to make secondary colours.

Marks everywhere!

We have been practicing making zig-zag, curved and straight lines for letters in our names and numbers we can see.

There has been a sustained interest in roads. Many of the children explored making roads with both small and large construction.

We created our own music to accompany rhymes and stories.
