Year 4's Newsletter Summer 1 2025

Year 4 have enjoyed another great term.

Our **History** topic this term is The Romans.

In **Literacy** we have enjoyed our Destination Reader story 'Tiger Tiger', a great story about two tiger cubs living in Ancient Rome.

In **Writing** we completed our unit on writing a letter or an email, and we have started learning how to write instructions for 'How to build a Roman Road.' For next half term we are planning an educational visit about the Romans.

In **Maths** we have successfully completed our unit on Measurements and have now moved on to Fractions. The class have worked very hard to understand and apply the things learnt in these lessons.

Our **History** topic on the Romans included a great **History Day** which included the dramatic story of Boudicca.

Summer: Jane Goodall
Sarah: Victorian Lady

Talal: Martin Luther King
Sandhya: Cleopatra

In **Science** we have studied 'Living things in their environments', which has been really enjoyable.

We also planted some tomatoes and runner beans for the School Garden.

In **R.E.** we have focused on 'The person I am'.

Year 4 are a lovely, hard working group of children and it is a pleasure to teach them.

They show such great energy and enthusiasm for learning.

We are all looking forward to the next half term!
